How to order skills NOW

Trading terms

Stock dispatched within 5 working days of receipt – advise if more urgent
Service fee covers freight within Australia - up to 3 kits \$10, additional kits \$4 each.
Payment terms 15 days from date of invoice or by PayPal
All prices include GST

Using PayPal

PayPal enables you to order and pay for skills NOW product by Visa, Mastercard, American Express or bank debit card. The process is that on processing of the order, PayPal sends the details next to skills NOW and we send the stock to the customer.

PayPal is fine for small orders such as one or two books or samples (order by kit of two books where possible). For larger orders, place these directly on skills NOW rather than PayPal as this will probably save shipping costs as PayPal applies a separate shipping fee for each individual product and not on the total quantity ordered.
